THE LOT RADIO

March Madness in NYC: Pyramid will be here.

We're very sorry we missed a couple days, how fast the week flies. Monday was a corporate American day. Tuesday was St. Patrick's Day and 151 vinyl – how is that fair. Last night was Acopia at Nightclub 101. Today is Thursday and we've got 18 college hoops game on. It's springtime in New York. Go paint something, make something, sing something, write something down. Eat superfoods, put your body in the son. - People's.

Tedeschi Trucks at Beacon, Brooklyn Bowl All Week

If you have friends that like to snowboard in Idaho, or if your dad blasted Sirius XM Jam On 29 growing up, this could be the week you get over to Tedeschi. Derrick Truck played in the Allman Brothers, and started TTB with his wife, lead singer.

Acopia played sold out shows in New York City this week

The band is on an awesome tour. Boston, Philly, DC, LA, Europe all the cities you'd want to play if you were an up-and-coming New York City rockband on your way to international prominence.
