Sarah Katherine Lawless *"Look Alive!"*

The 6-track EP arrives October 22nd, just in time for hot chai lattes, chunky-knit sweaters, and jack-o-lanterns smoking cigarettes. The singer-songwriter moves between acoustic intimacy and electric overdrive on her sophomore project, featuring the September single "Mr. Fix It" and more. Suzanne Vega-esque in tone, touch, and storytelling, Sarah Katherine Lawless brings an urban sensibility to the autumnal folklore of singer-songwriter tradition.

Evangeline once performed Falling Slowly live with the late Glen Hansard, who tragically passed in July.
