Coachella Week 1, New Yorkers Ready to Livestream Bieber

JB's been on a shirtless vocal lyric-belting Twitter campaign to amp fans up for Coachella. Palm Springs is set for its two weekends. So if you're a high school spring breaker, perennial partier, or simply in the music industry, enjoy the fun and use sun protection. NYC bands playing include The Strokes, Interpol, and GEESE!

Caravan of Dreams in Resurgence After Humans of NY Feature, Timeless EV Organic Mediterranean Restaurant

Brandon Stanton, Human of New York, loves Caravan of Dreams. So did Led Zeppelin, who probably ate there in 1991 when it opened and Physical Graffiti turned 15. The all-vegan restaurant serves macrobiotic platters, miso ramen, herbal teas, and 7x-filtered water in a room that hosts music nightly, and weekly "how to make the world a better place" gatherings for technologists and philosophers alike.
