Alice Phoebe Lou: Voice of an Angel Webster Hall Loved

God of the sun I'm taking you down on the inside
When the Kali Yuga comes and closes my eyes
And we can die by the equine
Osiris of my life I'm giving you the runaround
When the Ragnarök comes down and the sun and moon collide
We can make love in the end times
Meteor of peace I'm trying to find the downside

Looking for a place in my life. Looking for a place in my life. Looking for a place in my life.
