New York in
Full Spring
Bloom, Music

The trees of the East Village make the streets look like a jungle. Light rain and temps in the 70s make it feel like a rainforest. Leaves on trees, outdoor grilling, and free concerts have May into full swing.

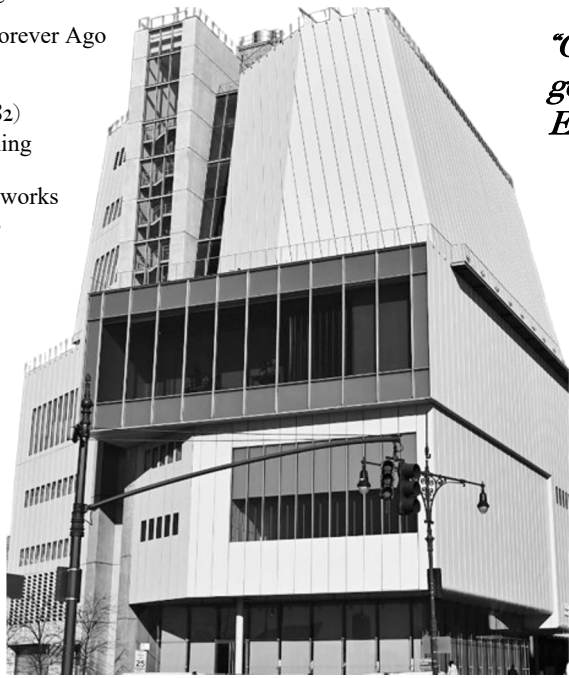

Airdrop NFC Keychain Tags are the new standard for all demo distribution.

Did we also know André3000 had insane flow?

DYK: Ms. Jackson was a written apology from André 3000 to Eryka Badu's mother after their breakup.

Whitney Museum may not be as fun to say as Guggenheim. Might still be worth checking out.

Brunson Releasing New Music,
Brunson Raining Buckets: Spring in NYC

Action's new record - Planet Frog - is out this Friday. Earlier in the week, Brunson hung 26 points on Philly as the Knicks are off to a 2-0 start in the series. Brunson put out two videos - one with Lil Yachty, and another with Roc Marciano (The Pyramid gives a big stamp of endorsement to **★NYC's own★** Roc Marciano). Brunson had help in Game Two from Bridges (18 pts), Towns (20 pts), Anunoby (24 points), and Tyler Kolek (glue) - escaping Game 2 with the W by 6. This is springtime in NYC.

"Only when he no longer knows where he's going does the painter do good things." - Edgar Degas

Who is this? The answer isn't Geese. The record is from 1973.

The movie was great.

Reminder that Mike made the Beat It video to stop gang violence in LA.
